

LegacyLinkMemorials Instructions

1. Scan code
2. Create a simple account to protect your memorial. The owner has lifetime access to edit the memorial.
3. Begin uploading information.
4. Click save details to save your information into the memorial. Do not publish your memorial if you wish for family and friends to contribute to the memorial.
5. Let family and friends contribute via email invitations, or by simply scanning the code. You can copy your QR code and include it on funeral pamphlets to allow many to contribute to the memorial of your loved one.
6. When the memorial is complete, publish the memorial and preserve your loved ones memory forever.
7. Contact LegacyLinkMemorials at 901-661-6759 for customer support.
